- **Gel plate and roller**, if you have your own. If not, Patricia will have eight sets available to share. Please let us know in advance if you would like one reserved.
- Apron or paint shirt
- Any special papers you would like to experiment with, such as rice paper, deli paper, tissue paper, or other lightweight or transparent papers
- Acrylic paints in your favorite colors. Liquitex, Amsterdam, or similar craft-store acrylics work well. Patricia will also have some paint available to share.
- Any favorite stencils, stamps, texture tools, or mark-making tools
- Paper palette or paper plates
- Palette knives for mixing
- Small water container
- Paper towels
- Collage substrates of your choice, such as canvas, canvas boards, watercolor paper, or other heavyweight paper

For larger work, Patricia suggests bringing approximately two 16 x 20 surfaces or a large sheet of watercolor paper. If you prefer working smaller, bring several 12 x 12, 11 x 14, or 9 x 12 surfaces.

You are also welcome to work over old watercolor or acrylic paintings and give them new life through collage and mixed media. UP-CYCLE!!

Please bring a lunch each day.
